NOTICE OF FINANCIAL OR INVESTMENT RELATIONSHIP

In order to provide you with the most comprehensive quality care, you may be referred to a facility in which OrthoTennessee physicians may have an ownership interest. This document serves as notice to you of the financial investments or relationships of the physicians of OrthoTennessee. OrthoTennessee physicians have investment interests in the following: Fort Sanders West Outpatient Surgery Center, Advanced Family Surgery Center, Knoxville Orthopedic Surgery Center, OrthoTennessee Therapy, OrthoTennessee Imaging, or OrthoTennessee Orthotics. In addition, your physician may have financial relationships with orthopedic manufacturing companies which produce surgical implants and other orthopedic products that may be used in connection with your treatment.

You may request an alternative provider for your services (physical therapy, MRI, surgery centers). If you would like to seek your medical services elsewhere, please inform your physician and you will be referred to another comparable facility. We assure you that you will not be treated differently at OrthoTennessee if you request an alternative provider. If you have any questions or concerns regarding the above notice or your treatment plan, your physician will be happy to discuss those with you.

KOC PAIN MEDICATION MANAGEMENT AGREEMENT

The following information regarding pain medication use (opioids/narcotics), is important for you to understand prior to a KOC physician providing you with any treatment.

1. You must disclose any medications currently being provided to you by any other provider. Failure to do this may result in our inability to continue your treatment.

2. If your treatment by KOC results in a surgical procedure, and if you are currently receiving pain medications from another provider, you need to make arrangements with that provider for any pain medications you may require during the pre and post-operative period.

3. If you receive narcotic pain medications from a KOC physician, you are not to receive any narcotics from another physician while you are under the care of a KOC physician.

4. No narcotic pain medication will be prescribed outside of office hours.

5. Lost/stolen medications or prescriptions for medication will NOT be replaced.

6. Pain medications will not be refilled after 2 months from your last visit with your KOC physician unless otherwise instructed. A follow-up appointment must be made or you must return to your primary care physician.

7. If you alter or forge prescriptions or sell or distribute pain medications, you will no longer receive treatment from any KOC physicians and you may be reported to the authorities.

8. Treatment with pain medication is at the discretion of the prescribing physician. You are not to adjust your amount without notifying the physician and this must be done during office hours. If the prescribing physician feels that you are not being honest about your usage of pain medication, or he/she feels like you are diverting your medication, KOC can discharge you from the clinic. You will be notified if this becomes necessary.

By signing this agreement, you acknowledge that you have read it and understand it and agree that you have been well-informed of the importance of following your physicians instructions regarding the use of narcotic pain medications.
